

**REMARKS**

Claims 1 to 29 are in the application.

As a result of the foregoing amendment, the specification has been amended to provide appropriate headings.

In addition, the claims have been amended to correct the antecedent basis problems pointed out by the Examiner in the first paragraph on page 3 of the Office Action.

Accordingly, reconsideration and withdrawal of the rejection of the claims under 35 U.S.C. 112, second paragraph, are respectfully requested.

Since the Examiner has indicated in the last paragraph on page 3 of the Office Action that the claims would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. 112, second paragraph, it is submitted that the claims are now in condition for allowance.

Therefore, in view of the foregoing, it is submitted that this application is now in condition for allowance and such allowance is respectfully solicited.

Any additional fees or charges required at this time in connection with the application may be charged to Patent and Trademark Office Deposit Account No. 11-1835.

Respectfully submitted,

FRIEDRICH KUEFFNER

Dated: June 18, 2008
